

**OFFICE OF FINANCIAL AID  
WINTER INTERSESSION APPLICATION  
DECEMBER 2017-JANUARY 2018**

Limited financial aid in the form of Federal Direct Loans, Parent Loans (PLUS), and private student loans may be available to UE degree-seeking students who are enrolled as regular students in the fall semester and who plan to take either 1 or 3 hour(s) in the Winter Intersession. For financial aid purposes, the Winter Intersession is considered part of the Fall Semester. You must be enrolled in both the fall semester and Winter Intersession in order for an adjustment to your cost of attendance budget to be made.

If you would like to have your student budget increased to reflect the tuition, fee and book charges for the Winter Intersession class you are taking, complete this form and return it to the Office of Financial Aid by November 22, 2017. You will be notified of any possible aid via UE email.

Name (print) \_\_\_\_\_ Colleague ID number \_\_\_\_\_
